Reach a highly specialized, international audience with your content.

Sponsored content on Military-Medicine.com's social media channels ensures that your posts are visible to the community that matters: doctors, medical officers, pharmacists, veterinarians, and other decision-makers in the military medical field.

+ ALMANAC:

MILITARY MEDICAL CORPS WORLDWIDE ALMANAC

ALMANAC Military Medical Corps Worldwide is the first and only portal to provide a systematic overview of military medical services worldwide. It offers exclusive insights into structures, tasks, missions, procurement policies, and personnel – supplemented by contact persons and contact details.

As a recognized reference work in over 180 countries, the ALMANAC is aimed at decision-makers in defence ministries, doctors in military hospitals, and commanders of military medical facilities.

ALMANAC gains additional reach through its presence at top international events such as DiMiMED, COMEDS, and ICMM. This enables advertising partners to reach a highly specialized and globally networked target group.

Your banner advertising in ALMANAC reaches the highest levels of military medicine directly – exclusively, precisely, and without wastage.

The screenshot displays the ALMANAC Military Medical Corps Worldwide website. The top navigation bar includes 'MILITARY-MEDICINE.com', 'NEWS', 'WIKI', 'EVENTS', 'ALMANAC', and 'INDUSTRIESPIEGEL'. A search bar and a menu icon are also present. The main header features the ALMANAC logo and a globe with the text 'WELCOME TO MILITARY MEDICAL CORPS WORLDWIDE ALMANAC' and 'The only comprehensive summary of military medical services throughout the world'. Below this is a search bar and a list of countries (A-Z). A sidebar on the right shows a map of Europe with a blue dot indicating a location, and a list of countries (A-Z). The main content area displays a profile for 'Austria, Republic of' with details: Capital (Vienna), Area (83,879 km²), Population (8,858,775), Official Language (German), Armed Forces Personnel (35,000), Medical Officers (n/a), Military Hospitals / Institutes (3/3), and Missions (multiple). Below this is a section for 'Director Military Medical Division' with contact information and a list of articles by category. The bottom section features a banner for 'Lufthansa Technik AeroMedical Solutions' with the text 'COMMITTED TO PATIENT WELL-BEING AND SUPPORTING MEDEVAC PROFESSIONALS.' and a list of countries (A-Z) with their respective military medical data.

FURTHER ONLINE PUBLICATIONS: **EXPERTISE AND NETWORK BUNDESWEHR, DEFENCE AND SECURITY INDUSTRY**

DEFENCE-NETWORK.com

THE NEWS PLATFORM FOR THE DEFENCE COMMUNITY

DEFENCE-NETWORK.com provides daily updates on relevant topics in the defence and security industry. From analyses of global conflicts, military strategies, and geopolitical developments to articles on defence technology developments and major international projects, the editorial team offers in-depth insights and background information for interested readers.

The offering is supplemented by up-to-date reporting on our own events, international trade fairs, and conferences, as well as white papers, analyses, and studies that provide a sound basis for strategic decisions.

ONLINE PUBLICATION FOR INTERNAL SECURITY, DISASTER CONTROL AND CIVIL-MILITARY COOPERATION

SECURITY-NETWORK.com

THE SPECIALIST PORTAL FOR INTERNAL SECURITY, DISASTER CONTROL, AND CIVIL-MILITARY COOPERATION

Security can only be achieved through cooperation – and that requires knowledge, networking, and exchange. With **SECURITY-NETWORK.com**, CPM Verlag offers a unique news portal that builds precisely this bridge. It brings together news on all authorities and organizations responsible for security tasks (BOS): from the police, fire department, and rescue services to the THW and other aid organizations. In addition, key social issues of our time are addressed in the context of civil-military cooperation – in discussions with experts, decision-makers, and through the publication's own editorial team.

Here you will find the latest information on new laws and regulations, impressions from trade events, reports on events, and news about technologies for everyday use. Presented in a clear, practical, and compact format – **all in a single portal.**

HR PORTAL – TAILORED FOR DEFENCE, SECURITY AND MILITARY MEDICINE

THE JOB PORTAL FOR DEFENCE, SECURITY AND MILITARY MEDICINE

The search for a new professional challenge is a matter of trust – for applicants as well as for companies. Especially in the security and defence industry, this requires a specialized platform that brings both sides together in a targeted manner. **DEF-JOBS.com** combines this expertise: with CPM Verlag's many years of experience in defence, security and military medicine, as well as close industry cooperation, we know the market firsthand. Our network – including SECURITY- and DEFENCE-NETWORK.com—provides access to a dedicated target group.

Whether you're a soldier, engineer, or career starter, **DEF-JOBS.com brings the right people together with the right jobs.**

OTHER FORMATS: **WEBINARS**

WEBINAR SPONSORSHIP –

“IMPULSES FOR SECURITY, DEFENCE, AND MILITARY MEDICINE”

Bring your expertise directly to the management level: In our editorially supported webinars, you can reach specialists and executives from the armed forces, security agencies, politics, industry, and military medicine.

Target group & reach

- 150–300 live participants + on-demand
- D-A-CH-region (Germany, Austria, and Switzerland)
- Decision-makers, project managers, procurement officers

Topics

Cybersecurity, combat operations, protective technology, logistics, military medicine

Services

Professional platform, editorial moderation, live Q&A, recording & reporting

Your advantages

Strengthen your brand as an innovation driver and solution provider. Achieve maximum visibility among an exclusive specialist audience, generate high-quality leads, and extend your impact far beyond the live event with a media library and newsletter. This will help you generate attention, reach, and credibility among a highly specialized target group.

SPONSORSHIP PACKAGE PREMIUM

5.000 €

+ PODCAST

THE **CPM PODCAST** CONNECTS WHAT BELONGS TOGETHER

Topics from defence, security, and military medicine – combined in a format that can be heard wherever people like to listen.

Whether interviews with exciting studio guests or voices from our own publishing house – the CPM podcast addresses the pressing issues of our time and brings decision-makers, users, and industry together in conversation.

The format creates closeness, trust, and recognition – through authentic conversations, well-founded content, and editorial support from presenters from our team.

With its clear target group focus, the CPM podcast offers ideal opportunities for audio sponsorship, company presentations, and topic placements in an exclusive specialist environment.

For information on placement and presentation options as well as prices in this format, please contact us.
